Time	Title	Speaker
07.00am		
08.00am		
00.20		
09.30am		
10.00am		
10.15am		
11.15am	Dana Canfarana Liu (Obain)	
11.30am	Press Conference kiv (30min)	
12.00pm	Sponsored Symposium: PN-HPT with EBD in acne scar management 1+1 = 2 or 3?	Dr Tristan (Malaysia) - 30min
	Sponsored Symposium - Precision in Beauty: Advancing Aesthetics Dermatology with 3D Imaging	Mr Remi Le Prince (Singapore) - 30min
1.00pm		
2.30pm E	Break / Booth Visit	
_	Scientific Symposium: Wellness & Regenerative Medicine - Future of Medicine	
2.45pm	Role of extracellular matrix in cutaneous aging and dedicated treatments Stem Cells in Personalized Medicine	Dr. Volodymyr Chernykh (Switzerland) Prof. Manickam Ravichandran (Malaysia)
	Hormonal Optimization protocols in men from the perspective of Anti-Aging and Regenerative Medicine	Dr Dmytro Klokol (Greece)
4.15pm	Tea Break / Booth Visit	S. S. Janyao rababa (C. 1966)
	Scientific Symposium: What's New in Dealing with Pigmentation in Asian Population	
4.30pm	Combination of pico and nano technology in the treatment of pigmentary disorders.	Dr Dinesh (Malaysia)
E	Efficacy, Safety and satisfaction: A multi-center study on the Novel 7.5% Cysteamine and Tranexamic Acid Combination Cream for Melasma	Mr Jan Zarsky (USA)
	Optimising pigmentation treatment in Asian population with post-laser care	Dr Benji Teoh (Malaysia)
	Adjourn	Dr Benji Teoh (Malaysia)
		Dr Benji Teoh (Malaysia)
	Adjourn	Dr Benji Teoh (Malaysia)
6.00pm ADAY 2 - 24th Se	Adjourn ptember 2022 Title	Dr Benji Teoh (Malaysia) Speaker
DAY 2 - 24th Se	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments	
6.00pm J DAY 2 - 24th Se Time	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques.	Speaker Dr Nurul Ain Abdullah (Malaysia)
6.00pm J DAY 2 - 24th Se Time	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments	Speaker
6.00pm J DAY 2 - 24th Se Time	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia)
6.00pm J DAY 2 - 24th Se Time 08.00am	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia)
6.00pm J DAY 2 - 24th Se Time S 08.00am S 10.00am S	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural : The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural : The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics)	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min
08.00am	Adjourn Interpolation Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover: From core to floor	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural : The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics)	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia)
08.00am	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mornmy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia)
08.00am	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mornmy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia)
08.00am	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mornmy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mornmy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30am	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30pm	Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mornmy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30pm 1.30pm 1.45pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Break Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30pm 1.30pm 1.45pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Break Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine Young brain at any age: Bioregenerative medicine and Precise stem cell therapy	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia) Dr Yuriy Nalapko (Germany)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30pm 1.45pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Break Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine Young brain at any age: Bioregenerative medicine and Precise stem cell therapy Enhancing Aesthetic Results with Rejuvenating Conditioned Media	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia) Dr Yuriy Nalapko (Germany) Dr Hew Yin Keat (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30pm 1.45pm 1.45pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Bereak Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine Young brain at any age: Bioregenerative medicine and Precise stem cell therapy Enhancing Aesthetic Results with Rejuvenating Conditioned Media Pico Stemcell Peptides: A New Level into Aesthetic and Regenerative Medicine Sponsored Symposium: Discovering Advanced Cryoadipolysis for 360-degree body contouring practice	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia) Dr Yuriy Nalapko (Germany) Dr Hew Yin Keat (Malaysia) Prof. Dr. Mike (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30pm 1.45pm 3.15pm 4.00pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Pacial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover: From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Break Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine Young brain at any age: Bioregenerative medicine and Precise stem cell therapy Enhancing Aesthetic Results with Rejuvenating Conditioned Media Pico Stemcell Peptides: A New Level into Aesthetic and Regenerative Medicine Sponsored Symposium: Discovering Advanced Cryoadipolysis for 360-degree body contouring practice Tea break	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia) Dr Yuriy Nalapko (Germany) Dr Hew Yin Keat (Malaysia) Prof. Dr. Mike (Malaysia)
6.00pm DAY 2 - 24th Se Time 08.00am 9.30am 10.00am 11.30pm 1.45pm 3.15pm 4.00pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural : The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover : From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Break Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine Young brain at any age: Bioregenerative medicine and Precise stem cell therapy Enhancing Aesthetic Results with Rejuvenating Conditioned Media Pico Stemcell Peptides: A New Level into Aesthetic and Regenerative Medicine Sponsored Symposium: Discovering Advanced Crycadipolysis for 360-degree body contouring practice Tea break Scientific Symposium: Innovation in Hair Restoration treatment	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia) Dr Yuriy Nalapko (Germany) Dr Hew Yin Keat (Malaysia) Prof. Dr. Mike (Malaysia) Dr Sky Wong (Hong Kong)
6.00pm DAY 2 - 24th Se Time 08.00am 10.00am 10.30am 12.00pm 1.30pm 1.45pm 4.00pm 4.30pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural: The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mornmy Makeover: From core to fitoor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Break Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine Young brain at any age: Bioregenerative medicine and Precise stem cell therapy Enhancing Aesthetic Results with Rejuvenating Conditioned Media Pico Stemcell Peptides: A New Level into Aesthetic and Regenerative Medicine Sponsored Symposium: Discovering Advanced Cryoadipolysis for 360-degree body contouring practice Tea break Scientific Symposium: Innovation in Hair Restoration treatment Regenerative hair treatment with AnteAGE growth factor and cytokines	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia) Dr Yuriy Nalapko (Germany) Dr Hew Yin Keat (Malaysia) Prof. Dr. Mike (Malaysia) Dr Sky Wong (Hong Kong)
6.00pm DAY 2 - 24th Se Time 08.00am 10.00am 10.00am 11.30pm 1.45pm 4.00pm 4.30pm	ptember 2022 Title Scientific Symposium: Novel approach with Energy Based Treatments Keeping it Natural : The Synergy of Facial Muscle and Skin Lifting Techniques. Unlocking the Full Potential of Energy-Based Treatments Choosing A Pigment Laser Machine Based on Physics Sponsored Symposium: TruBody - Remove Fat, Rebuild Muscle, Renew Skin Morning break Scientific symposium: Aesthetic Beyond Skin and Face (Body Aesthetics) Non-invasive Mommy Makeover : From core to floor Vulvovaginal Atrophy: Beyond Hormones Novel combination approach to vaginal rejuvenation Break Scientific Symposium: Unlocking a world of posibilities in anti-aging and regenerative medicine Young brain at any age: Bioregenerative medicine and Precise stem cell therapy Enhancing Aesthetic Results with Rejuvenating Conditioned Media Pico Stemcell Peptides: A New Level into Aesthetic and Regenerative Medicine Sponsored Symposium: Discovering Advanced Crycadipolysis for 360-degree body contouring practice Tea break Scientific Symposium: Innovation in Hair Restoration treatment	Speaker Dr Nurul Ain Abdullah (Malaysia) Dr Jason Teng (Malaysia) Dr Nicholas Lye (Malaysia) Mr Martin Kissinger (UK) 25min Dr. Farizah Ali (Malaysia) Dr Nurul Ain (Malaysia) Dr Quek Yek Song (Malaysia) Dr Yuriy Nalapko (Germany) Dr Hew Yin Keat (Malaysia) Prof. Dr. Mike (Malaysia) Dr Sky Wong (Hong Kong)
